

COROSOLIC ACID FORMULATION AND ITS APPLICATION FOR WEIGHT-LOSS
MANAGEMENT AND BLOOD SUGAR BALANCE

ABSTRACT

5 A soft gelatin capsule and method to deliver an efficable dose
of *Lagerstroemia speciosa* L. (marketed by Soft Gel Technologies
under the trademark Glucosol™) for the assistance and maintenance
of moderate weight loss through blood sugar maintenance. The
product relies on the effects of corosolic acid on blood sugar
10 levels to derive a healthy weight loss effect for Type II diabetics
(non-insulin dependent) and healthy non-diabetics and the improved
absorption of an oil based delivery system. The product provides
safe and sustainable weight loss when combined with a restricted
calorie diet and regular exercise. Its benefits include improvement
15 of cardiovascular health, normalized blood sugar levels, and
improved physical appearance with the positive psychological effects
associated with successful and safe weight loss/maintenance.
